| +351 220426112/ 111/ 114  
| For issues related to Visa/Health Care and other doubts on pratical matters related to the life in Porto please contact incoming.mobility@reit.up.pt |
**Language Requirements**

Students who are not native speakers of English and attending courses in English at FEP are strongly advised to show proof of their language proficiency through certificates /diplomas in English (eg. TOEFL; IELTS; FCE; CAE). Students showing proof of these diplomas will be prioritized in the selection for incoming mobility.

**Portuguese Intensive Language Course**

International students can register at courses organised by the School of Arts (Faculdade de Letras). There are 2 type of courses:

- **Intensive Course**
- **Annual Course**

Information regarding courses starting each academic year are usually available in July.

Students should ask for informations while in their home country in order to make sure they will be able to attend a Portuguese Language Course upon arrival which will be really useful during their stay. Each student is responsible for their own registration and for the payment of the course. **Contact ple@letras.up.pt**

**Inbound Mobility Important Note**

Students coming to FEP for undergraduate studies can come either in the Winter or Spring Semester; students coming to FEP for graduate or master studies should come in the Spring semester as there is a very limited number of places available in the Winter Semester and fewer master level courses. FEP does not send students to our partner schools for one academic year and to guarantee reciprocity of exchanges FEP accepts students for one semester only.

**Courses in English for Undergraduate Students (code/subject)**

Undergraduate students should choose courses of Bachelor level. Student must attend a minimum 20 ECTS and maximum 30ECTS each semester. Students with no/few knowledge of Portuguese should choose courses in English.
