HEALTH INSURANCE

All Swiss residents, including foreign students holding a residence permit valid for more than three months, are obliged by law to be insured with a recognised Swiss health insurance company, providing them with basic cover when in need of medical care in cases of illness or accident. Foreign students living in Switzerland may be exempted from the obligation of subscribing an insurance policy if they can prove they are covered by an equivalent insurance in their home country. To take advantage of this exemption, you must make an official request using the appropriate form.

- If you have the **"European Health insurance Card"** which entitles you to receive medical care in Switzerland, remember to bring it with you. The staff of the International Relations office will explain how to ask for the exemption during the welcome meeting.
- If, on the other hand, you have a **Private Insurance Policy** please use the following link:
www.unisi.ch/en/formulario-assicurazione-6-2-en.pdf

Download the two forms ("Request for exemption from Swiss compulsory medical insurance; EU/EFTA citizens private insurance holders" and "Statement regarding the level of Insurance Coverage"). The forms must be filled out and signed by your insurer and sent back to:

Istituto delle assicurazioni sociali, Ufficio dell'assicurazione malattia, Via C. Ghiringhelli 15a, 6501 Bellinzona, Switzerland.

Upon arrival in Switzerland, you must be able to certify that you have successfully completed this procedure; otherwise, you will have to take out an insurance policy in Switzerland.
