

SAVINGS UNITED

Paid Internship in Online Marketing – Sales/Affiliate Department Spain –

Savings United is an international network of digital coupon marketplaces. We provide online coupons and shopping deals to millions of consumers around the globe.

We are frequently looking for driven & hands-on students with excellent language skills in **Spanish** for a **6 months internship** in our ambitious, international and fast growing internet startup located right at the famous river Elbe in Hamburg, Germany.

Responsibilities:

- Managing the upload of our web content
- Monitoring and development of web content
- Managing our freelancer pool
- Market research and competitors analysis
- Support in email marketing (newsletters, etc.)
- Elaboration of special campaigns and promotions
- Assistance in managing strategic partnerships

Requirements:

- The internship is an official part of your studies (compulsory)
- In addition to excellent Spanish you have fluent English language skills
- You are a practiced MS Office user
- You are eager to challenge yourself
- While you can work independently, you are also a good team player
- You are passionate about the internet world and eager to learn more about Affiliate Marketing

What we offer:

- Get a profound knowledge in the field of Online Marketing
- Learn to work with tools as Google AdWords, Analytics, Moz Pro, MailChimp, etc.
- Enjoy a responsible function within an exciting entrepreneurial environment
- Be part of a dynamic and well-trained team in a pleasant work environment

- A monthly net income of 600€

Did we catch you? Can't wait to meet us personally and impress us with your drive?

Please apply at our online form on <http://www.savings-united.com/career>. If you have any questions regarding your application, feel free to contact Alena Nußbeck via alena.nussbeck@savings-united.com
