

WHERE WOULD YOU TAKE DIGITAL?

From Innovations to Solutions. Camelot Innovative Technologies Lab is the leading SAP consultancy for digital value chain management. With more than 20 years of experience we lead our customers in their digital transformation. Our capabilities range from the strategic dialogue around current challenges in the digital world to the implementation and support of innovative solutions.

Young Professional (m/f/d) Data Management / Data Specialist

Only accurate and reliable data enables organizations to truly gain insight into business development, deliver world-class service and make the right decisions for a successful strategy. Do you want to work on innovative and demanding process consulting and implementation projects? Become part of our dynamic team.

What's your future business?

- ▶ Carrying out innovative projects as Consultant or Developer with focus on Data Management
- ▶ Evaluation of large amounts of data with state-of-the-art data science methods such as Machine Learning, Classification, Clustering and Pattern Search
- ▶ Collaboration in the development of innovative topics like linking AI with master data management
- ▶ Creation and implementation of innovative concepts to improve data quality
- ▶ Location: Mannheim, Cologne, Munich

Who are you?

- ▶ Completed apprenticeship or Young Professional with at least first relevant experience
- ▶ Wide-ranging IT skills and a keen interest in technical issues and innovations, especially in the SAP environment
- ▶ Good knowledge of at least one programming language
- ▶ Outstanding communication and presentation skills in German and English

What do we believe in?

Triggering innovation by collaboration – this is our mission. Consultancy is people business and knowledge is key. That is why we value our employees as much as our clients. Together, we develop skills mutually matching our visions and ideas by constantly learning, growing and innovating. Camelot colleagues take responsibility from the moment they join us. Entrepreneurial attitude is as important to us as strong teamwork, knowledge sharing and corporate social responsibility. Read more on www.camelot-itlab.com/careers
