Course Choices and Other Program Information For Exchange Students

Please see the full academic offer and language of instruction on the IE University website: [Academic Programs](#)

Course Restrictions

The whole academic offer is open to incoming students – timetables permitting for the mandatory attendance (see below).

Learning Expectations

Class format

Fall Semester: Presential

Spring Semester: Presential + Online classes + IE Labs (Optional. See below, mandatory intensive period during June)

Bachelor in Architecture: First Semester students only.

Attendance (% mandatory): 70%

Grading system:

ECTS

Grade	Local grade	Definition
A+	10.0	HONORS - Exceptional academic achievement
A	9.0-9.9	EXCELLENT - Outstanding performance
B+	8.0 – 8.9	VERY GOOD - Above the average standard with few minor errors
B	7.0 – 7.9	GOOD - Generally sound work with a number of minor errors
C+	6.0 – 6.9	SATISFACTORY - Fair but with significant shortcomings
C	5.0 – 5.9	SUFFICIENT - Performance meets the minimum criteria

Enrollment:

1 ECTS credit = 25 hours of work, including classes and related academic activities

Recommended number of ECTS per semester: Max. 30

Courses must have compatible schedules.

IE University cannot guarantee enrollment in any course. Enrollment is often subject to class size limitations

- **IE University – Amigo Program**

It's a new optional service which offers incoming students the company of our volunteer student buddies. In this program, our volunteers personally show the incoming students the ropes around campus and local city life during the first month of their experience at IE University. Detailed information will be provided during the online application process where students will be able to choose to be part of this useful resource.
