

# PLACEMENT UK INTERNSHIPS IN THE UK

Placement UK is the No.1 European Student Placement Organisation. We provide a specialised service designed to help the very best European undergraduates find internships or placements in the UK. We place thousands of Students into UK businesses every year to gain invaluable practical experience, and provide employers with many benefits.

**Students** – you can get so many benefits from your placement. You're will be completing an essential element of your course and adding practical experience to your academic knowledge. Fancy experiencing a new culture, both professionally and socially – then get in touch ☺
