The Program Curriculum

is divided into 4 thematically related blocks which enables you to upgrade your knowledge and skills gradually:

Essentials	Corporate Finance & Controlling	Strategic Decisions	Financial Markets
BLOCK I <ul style="list-style-type: none"> Financial Reporting and Analysis Quantitative Techniques for Managers 	BLOCK II <ul style="list-style-type: none"> Corporate Finance for Managers Operational Controlling 	BLOCK III <ul style="list-style-type: none"> Corporate Valuation & Fundamental Analysis Business Project Appraisal Mergers and Acquisitions 	BLOCK IV <ul style="list-style-type: none"> Enterprise Risk Management Financial Markets and Securities Analysis Portfolio Analysis

Each block consists of 2-4 modules. All courses are supplemented with the material for participants' self-study, representing mostly additional cases and practical exercises, which extend the topics covered during workshops. Active participation in class activities is encouraged. Your study performance is evaluated comprehensively, based on the quality of delivered projects, class activity and exam results after every educational block.
